Why Indore

Indore, the largest city of Madhya Pradesh, is also fondly known as 'mini-Mumbai' due to its deep seeded roots in India's trade history. The city grew to prominence on the back of trade between Deccan and Delhi – a tale that its aptly captured and showcased through its splendid architecture. The city displays a calming mix of heritage and culture that attracts tourists, historians and artisans from afar. Some of these places include; Rajwada, Chhatris Bagh, Chokhi Dhani, Kanch Mandir, Lal Bagh Palace, Central Museum, Mahatma Gandhi Hall, Nehru Park, Bijasan Mata and Bada Ganpati.

Rajwada Palace

Lal Bagh Palace

Kanch Mandir

Annapurna Temple

Indore Museum

Objectives of C3R

BENEFIT FROM THE PEOPLE WHO KNOW CONSTRUCTION CHEMICALS THE BEST.

The Construction Chemicals Manufacturers Association (CCMA), the body, mind and soul of the construction chemicals industry in India will be hosting the Ninth Construction Chemical Conference Regional in 2019. C3R9 will be held on **14th June, 2019 at Sayaji Hotel, Indore, Madhya Pradesh, India**. The Theme for C3R9 is 'Methods and Practices on the Use of Construction Chemicals'. An exciting line-up of industry captains, research scholars and

industry veterans will disseminate vital information on the emerging materials, methods and practices that are taking shape in the construction chemicals sector today. Delegates attending the Ninth edition of the C3R will benefit from an insightful program that boasts of unparalleled networking opportunities. C3R9 is an opportunity to unite, learn, network and aid in the industry's growth and quest for excellence.

About CCMA

Construction Chemicals Market was valued at \$27,162 million in 2015, and is expected to reach \$40,154 million by 2022, supported by a CAGR of 5.6% during the forecast period 2016 - 2022. Construction chemicals are speciality products that are crucial for sustainable infrastructure and energy conservation in construction industry to increase durability of buildings, and to provide added fortification from environmental hazards.

In India the industry currently represents a combination of

organized and unorganized sector. The leading manufacturers have come together to form an association - The Construction Chemicals Manufacturers' Association (CCMA). The key objective of CCMA will be to promote the growth of the construction chemicals industry by raising the awareness and quality standards as well act as a representative body for communicating with Government, chambers of commerce, regulatory authorities and other forums, be it domestic or international.

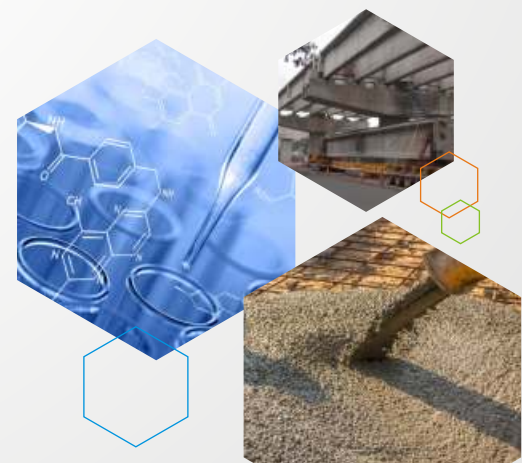

Aims and Objectives of CCMA

- Provide a forum for construction chemicals manufacturers in India and promote the interest of its members in relation to commerce and industry in India. In particular, identify and discuss common problems facing the construction chemicals industry to arrive at solutions, including exchange of information amongst its members.
- Educate members on provisions of various central and state enactments and their amendments through seminars, meetings, exhibitions etc.
- Promote and accelerate the growth of the construction chemicals industry in India by collecting and disseminating statistical and technical information and creating awareness to maintain high standards among users.
- Be a constructive forum to communicate with governmental bodies /associations, chambers of commerce and other commercial, industrial and public bodies within or outside India to promote the objectives of the association.
- To establish a just, equitable standard/practices in the manufacture of construction chemicals, trade and commerce. To regulate the conduct and practice of construction chemicals trade and manufacture.
- Stand out as a body to continuously impart awareness amongst construction chemicals manufacturers to maintain high standards and business ethics for the benefit of end users. Achieve this through continuous education in the field of construction chemicals by means of training and upgrading the skills of personnel by organizing workshops, conferences, lectures, seminars, disseminating information through periodicals or journals, books, institution of scholarships, fellowships, awards, and encouraging research studies.
- To subscribe to become a member of or otherwise affiliate or cooperate with any other body in India or elsewhere with which the association has common interest to establish, cooperate with, or receive into the association or otherwise assist any association or accept affiliation of any other association having objectives similar to those of association.
- To do all such acts, deeds and things as may be necessary and conducive to the manufacture, and development of trade and commerce in relation to or incidental to the construction chemicals industry, in the promotion or attainment, or in the overall interest of the objectives of association.

The presentations and technical sessions shall address the following

- Construction chemicals for enduring concrete structures
- Structural waterproofing using construction chemicals
- Use of construction Chemicals to overcome construction hazard
- Use of aluminium silicate for high performance concrete
- Role of polymer in concrete repairs
- Injection materials and machineries
- Screed additives technology
- Waterproofing chemicals
- Waterproofing of basement using membrane
- Water tight concreting system
- Fully bonded membrane for underground structure
- Concrete protection system
- Structural strengthening using FRP system
- New generation sealants
- Mechanized plastering
- Sustainability & Construction Chemicals
- Polymer modified mortar & concrete
- Admixture for tall buildings
- Refurbishment of distressed structures and bridges
- Protection of rebar through corrosion protection
- How to making wet rooms dry
- Precision grout for machine foundation
- Resin flooring for industry
- Spray applied concrete repair
- Joint sealants & adhesives
- Roof waterproofing
- Rock support using sprayed concrete
- Waterproofing of tunnels

Who Should Attend

- Government Institutes and Construction Bodies
- Real Estate Developers
- Builders and Civil Contractors
- Infrastructural and Industrial Enterprises
- Engineers
- Architects
- Consultants
- PMCs and EPC Contractors
- Applicators and Resellers of Construction Chemicals
- Construction Chemicals Professionals

We also welcome Architecture & Civil Engineering students to take part in the conference. The student participants will be given participation certificate at the end of the sessions.

Sponsorship Opportunities

Diamond - ₹ 2,00,000

Deliverables: Logo on both side of the backdrop, 20 Delegate Passes, 1 Slot for Corporate Audio Visual presentation 10 mins. Free distribution of catalogues and freebies through kit, Banner at venue, Logo and Name in all communications.

Gold - ₹ 1,00,000

Deliverables: Logo on both side of the backdrop, 10 Delegate Passes, 1 Slot for Corporate Audio Visual presentation 5 mins. Free distribution of catalogues and freebies through kit, Banner at venue, Logo and Name in all communications.

Kit - ₹ 50,000

Deliverables: Name & logo in the Inner Flap of the Kit. Logo on one side of the backdrop, 4 delegate passes, Free distribution of catalogues and freebies through kit.

Silver - ₹ 50,000

Deliverables: Logo on one side of the backdrop, 4 Delegate Passes.

Lunch/Tea - ₹ 25,000

Deliverables: Banner at Lunch venue as lunch sponsor, 1 Delegate Pass.

Lanyard - ₹ 25,000

Deliverables: Logo on the Lanyard, Delegate Pass.

Sponsorship fees are inclusive of GST

DISTRIBUTION OF CATALOGUES THROUGH KIT

Maximum 8 Pages Promotional Literature + One Complimentary Gift Item

₹ 10,000

Delegate Fee

(Exclusive of 18% GST)

Members of CCMA & Supporting Organisation

₹ 1,750

All Others

₹ 2,250

Students

₹ 1,000

Fee includes: Registration, delegate kit, conference literature, lunch, tea /coffee, excludes airfare, hotel stay or any other incidental expenses.

Fee includes for Students: Delegate kit, conference literature, lunch, tea/coffee and participation certificate | Service tax as applicable on the above.
